

EDUCATION TRAINING EMPLOYMENT TOP 10 WEB GUIDE

Finding information about career pathways, education, training and employment can be tricky. This is a list of websites for anyone looking for information on career pathways, education or training options and employment. Turn over for a list of locally-based services that can also help you.

1 myskills.gov.au

A Government initiative to assist individuals and employers to choose the training provider that best suits their needs. My Skills features all publicly-available, nationally recognised vocational education and training in Australia. Search away!

2 myfuture.edu.au

Build a career profile. This website helps you start from scratch when you are not sure what career is for you and it also links to hundreds of jobs, where to study and what skills you need. One of our favourites, very useful.

3 year13.com.au

Finishing school? Year 13 is your one stop shop for all post school options in apprenticeships, gap years, travel, study and all that is in between!

4 abc.net.au/acedayjobs

Prefer to watch than read? Then this site is for you! It features hundreds of videos of people in many types of jobs, how they got where they are and what their jobs involved.

5 australianapprenticeships.gov.au

Everything you could possibly need to know about apprenticeships and traineeships and more! This site has info about the benefits, types of occupations, how it all works and more.

6 youthcentral.vic.gov.au

Overflowing with great information and articles about finding work, study options, moving out of home, staying healthy, managing money, your rights and much more.

7 jobsearch.gov.au

Looking for a job? With thousands of jobs currently available and more being added every day, jobactive JobSearch can help you find the right job.

8 gooduniversitiesguide.com.au

The Good Universities Guide will help you find courses at Australia's top universities, TAFEs and training colleges.

9 education.vic.gov.au/victorianskillsgateway

Find the right training to get the skills you need for the job you want. Search for training providers, including TAFEs. Search for qualifications, jobs in demand and get information about government funding.

10 wirl.com.au

A great website to give you an idea of what careers areas might match your interests. You will need a login, just use ours...
